This is the flight of the Final Four Quartets - Saturday Night, 9:30 PM

John Treff, Phil Rink and Ed Baker man the registration table

Bud Laumann sorts the quartet cards, while Bob Fogle, Jr., waits to introduce the first quartet.

"And now, to start the contest, here's our first quartet. Singing bari we have Uri Carpenter, the bass is Joe Colon, Stan Schultz wearing the red apron is singing lead, and completing the foursome we have Dick Webber, in the tenor's spot."

Photos of the 62 different quartet combinations will be posted on the dundalk.org web page when I get them edited. This is a fairly tedious task, so don't go looking for them before the end of March. I have elected to post them this time instead of printing each of them in the Charivari. They will be clearer, and if you are smart enough, you can figure out how to download those you may want to keep.

Meanwhile, be sure to mark your calendar for the next Danny Cuthbert Memorial Woodshed Weekend (XXIII,) scheduled for ... Oops, we don't have an exact date for it yet, but it will be in early February, 2010.
